COHORT 5

Welcome!

We are delighted to introduce our new ICAT fellows who will spend the next few months selecting their supervisory team and developing their PhD proposals. Following peer review and interview they will embark upon their PhDs in 2022 - best of luck for the busy months ahead!

We are looking forward to our annual **ICAT Retreat on the 25th and 26th November 2021**. Last year we broadcast the Retreat as a live virtual event and were delighted to see so many participants join us online.

This autumn we hope that we will be able to host some of our community in person at the event and we intend to broadcast the meeting online for those unable to attend. The arrangements will depend on current restrictions in Ireland and may necessitate last minute changes. We will be in touch nearer the time with details - thanks in advance for your patience!
